Post Meeting Topics

- The Bicycling Report Card

We have four handed in so far. Feel free to email me your grades.

Here are some areas where Louisville's bike Education/Encouragement and Enforcement has excelled:

LBC has logged 55,000 commuter miles in 2011

Bike Sense- reached over 1,500 3rd – 5th graders last semester

Here are some areas where Louisville bike Education/Encouragement and Enforcement has lagged:

Louisville still hasn't completed it's SRTS projects

Louisville's bike Education/Encouragement and Enforcement next Steps before our next meeting:

TARC would like to host a bike education 101 class for their drivers

Yellow Cab has agreed to handout a sharing the road flyer to all Yellow Cab Drivers.

Continue to expand the 6' sharing the road pull up banner campaign

- Bike Master Plan Report Card December 2011

Please continue to review so we can go through the remaining initiatives next meeting.
